

## **Palm Sunday Toast**

Each week, we coordinate our Preschool Snack with our Bible Story. Palm Sunday was no different and my wife and I got just a little creative with it. The snack was quite simple, yet was a real hit with the kids. (I even found out the other day that it is now the “favorite snack” of one of our preschoolers and he makes it all the time at home!)

The snack includes the following:

1 slice bread (you can also use crackers)

Peanut Butter (we put the creamy peanut butter in a squeezable Miracle Whip bottle to make it easy to distribute)

Green cake sprinkles

To make the snack, use the bread as a foundation and lay out a road of peanut butter. Explain how the people laid palm branches on the road when Jesus entered Jerusalem and add the green sprinkles on top of the peanut butter. You could even use multi-colored sprinkles to represent the coats.
